

Round 1:

Strategy	Number of Games	Ending Balance
1. Even wager	10	1000
2. Martingale	10	1300
3. Reverse Martingale	10	900

Round 2:

Strategy	Number of Games	Ending Balance
1. Even wager	10	600
2. Martingale	9	0
3. Reverse Martingale	10	500

Round 3:

Strategy	Number of Games	Ending Balance
1. Even wager	10	400
2. Martingale	10	1600
3. Reverse Martingale	10	700

Round 4:

Strategy	Number of Games	Ending Balance
1. Even wager	10	600
2. Martingale	10	1500
3. Reverse Martingale	10	1100

Round 5:

Strategy	Number of Games	Ending Balance
1. Even wager	10	1200
2. Martingale	10	1000
3. Reverse Martingale	10	500

Because the highest mean value of the Ending Balance, I think the Martingale System worked the best for me.
